Notice of Public Informational Meeting for Preliminary Wind Facility Construction

Chickasaw Wind Energy Center LLC, an affiliate of Invenergy LLC, has scheduled a Public Informational Teleconference on **Monday, November 2nd, 2020 at 5:00pm CST** to outline plans for preliminary limited construction in Chickasaw County. This preliminary limited construction includes excavation of just two turbine foundations across the entire project boundary and does not include the installation of any wind turbines at this time. An additional Public Informational Meeting will be held prior to full project construction.

Due to the ongoing public health crisis, the meeting will be hosted virtually at **www.InvenergyPublicMeetings.com**. The meeting will begin at **5:00 pm CST** and commence with a brief presentation highlighting a background of Invenergy and details relating to the scope of this preliminary construction. A Q&A session will commence after the presentation has concluded. If you do not have access to the internet and would like to participate via phone, simply dial **877-229-8493** and enter access code **119732**. Questions and comments can also be submitted at the website listed above.

If you have additional questions, would like to comment via mail, or would like to speak with a project representative, please call Kevin Corcoran at 402-332-8556 or if comfortable, visit our local project office at 16 N Chestnut, New Hampton, IA 50659.
