United States Public Land Survey Corner Certificate
of 26

Land Survey Monuments situated in Section 36, Township 94, Range 14 West of the 5th Principal Meridian in Chickasaw County, Iowa. Previously recorded in does not apply in the county Recorder's Office.

Monument Description and Remarks: This certificate is prepared in accordance with Section 193C of the Code of Iowa. No previous certificate has been filed for this corner location. Based on Chickasaw County Engineer's Reference ties we found three $\frac{1}{2}$ " diameter steel bars and a steel fence post used previously as tie markers. From these ties we found a $\frac{1}{2}$ " diameter steel bar at the approximate centerline-centerline intersection of the county roads and in line with the fence line running west. County Engineer's Reference ties show only that an iron pin had been set over a stone in 1977. We used the bar as the NW Corner of Section 36, Township 94 North, Range 14 West.
