UNITED STATES PUBLIC LAND SURVEY CORNER CERTIFICATE OF

Land Survey Monuments situated in Section 5, Township 94 North, Range 14 West, of the Fifth Principal Meridian, Chickasaw County, Iowa,
Previously recorded in Not Applicable in County Recorder's Office

(Show reason for preparing this certificate, the evidence and detailed procedures used in establishing the corner positions and monumentation found or set.)

Monument Description and Remarks:

SE Cor. - History of Corner = Current Co Engr's records indicated that corner is monumented with 'Iron pin' on '5-27-54' with ties as shown below.

Corner Recovery = Searched area with metal detector, excavated a 1' x 1' x 0.6' deep hole, and found Yellow painted Iron T-bar 0.3' deep. Probed on all sides of T-bar and hit a stone at 1.4' deep in centerline of gravel roads N-S & W. Monuments found are only ones available and match existing road evidence well. Therefore, used cross of 'T' as the correct corner. All ties are plumb distance unless indicated otherwise.

This certificate is being prepared because there are no certificates on file for this corner and this corner was used for a survey in this section for Daniel D. and Maria E. Janssen.

Plan View

(Show a minimum of three reference ties to durable physical objects, relevant monuments, and physical conditions that will enable recovery of the corner.)

SE Cor.

- Legend**
- BC = Nail w/ Bottle Cap
 - BP = Brace Post
 - CP = Corner Post
 - CM = 4" Sq Concrete Monument w/ 1/2" sq Iron rod in center (tie to rod)
