Previously recorded in Book __N/A__ on Page _____ in the office of the County Recorder.
(book, page, document number, etc.)

(Show reason for preparing this certificate, the evidence and detailed procedures used in establishing the corner positions and monumentation found or placed.)

Monument Description and Remarks: West 1/4 Corner Sec. 25-94-13 -- County Engineers Office did not have any ties for this corner. The Iowa D.O.T. had no Survey information about this corner. The Original Field Notes indicated that a Post was set in a Mound and that there was a Pit 8 Links East. Searched for this but nothing found. Searched for the Southwest Corner of Section 25 and nothing was found there either. Found broken off steel post 1290 feet West of Center of Section 25. Extended this line West to the intersection of traces of an old North/South fence. Set a 1/2"∅ X 24" rebar w/cap no. 10040 at this location.

PLAN - VIEW

(Show a minimum of three reference ties to durable physical objects, relevant monuments and physical conditions that will enable recovery of the corner.)
