Monument Description and Remarks: This certificate is prepared in accordance with Section 355.11 of the 1995 Code of Iowa. No previous certificate has been filed for this corner location. Based on County Engineer's Reference Ties we found a 1" iron pipe down $\pm 1'$ below the crushed rock surface at the W 1/4 corner of Sec. 35-96-11. We did not find any of the previous tie markers but the description for the W 1/4 matched what we found at the corner location.

Plan-View
 (Show a minimum of three reference ties to durable physical objects, relevant monuments and physical conditions that will enable recovery of the corner.)
