MONUMENT DESCRIPTION AND REMARKS:

SOUTHWEST CORNER: Westwood Professional Services found a 5/8" rebar 0.2' deep of unknown origin. Monument is near centerline of N/S road and in line with fence to the east. Accepting monument as the best available evidence of the corner location. Set 3 ties. Filing corner record as there is no certificate on file for this corner.

SOUTHEAST CORNER: Westwood Professional Services found a 1/2" iron pin but no ties. Monument agrees with distances from previous records. Accepting corner location and set 3 ties. Filing corner record as there are no longer three valid ties of record.

NORTHEAST CORNER: Westwood Professional Services found a T-post 0.5' deep near intersection of N/S E/W road. Accepting T-post as the best available evidence of the corner location. Set 3 ties and file corner record as there is no certificate on file for this corner.

## PLAN - VIEW

(Show a minimum of three reference ties to durable physical objects, relevant monuments and physical conditions that will enable recovery of the carner.)

MONUMENT DESCRIPTION AND REMARKS:

**SOUTH QUARTER CORNER**: Westwood Professional Services searched the area but did not find any monumentation. Proportionate distance from engineers tie book lies +/-16 feet north of the N and E fence line extension intersection. Holding fence line extension intersection as the best available evidence of the corner location. Filling corner record as there is no certificate on file for this corner.

**CENTER QUARTER CORNER:** Westwood Professional Services found a 4x6x9 red stone and 2 ties per 2015 record. Set 3/8" rebar with red reference cap 0.4' north of stone. Accepting corner location and set 1 tie. Filing corner record as there are no longer 3 valid ties of record.

## PLAN - VIEW

(Show a minimum of three reference ties to durable physical objects, relevant monuments and physical conditions that will enable recovery of the corner.)
