United States Public Land Survey Corner Certificate
of

Land Survey Monuments situated in Section 31, Township 96, Range 13 West of the 5th Principal Meridian in Chickasaw County, Iowa. Previously recorded in does not apply in the county Recorder's Office.

Monument Description and Remarks: This certificate is prepared in accordance with Section 193C of the Code of Iowa. No previous certificate has been filed for this corner location. We found no record of the Center Section being set. We found no evidence of a monument in the field other than an existing corner post with fence lines running north, south, east, and west, that matches the description of the corner post used as the Center Section on the Plat of Survey recorded in Book 139 page 296 in the Chickasaw County Recorder's Office. Based on this we set a 1/2" diameter steel bar with yellow plastic cap #11442 at the base of the corner post as the Center Section of Section 31, Township 96 North, Range 13 West.

Plan-View

All ties are 1/2" diameter steel bar set in fence lines
