United States Public Land Survey Corner Certificate
 of

Land Survey Monuments situated in Section 7 Township 96 Range 13 of the Fifth Principle Meridian, Chickasaw County, Iowa. Previously recorded in does not apply in County Recorders Office.

(Show reason for preparing this certificate, the evidence and detailed procedures used in establishing the corner positions and monumentation found or placed.)

Monument Description and Remarks: This certificate is prepared in accordance with Section 355.11 of the 1995 Code of Iowa. No previous certificate has been filed for this corner location. Based on County Engineer's Reference Ties we found two 1/2" bars and one nail in a corner post used as tie markers. An iron pin was set at the E 1/4 corner in 1951, but appears to have been removed when road was paved. Based on this we cut an "X" in the PCC paving $\pm 2'$ East of C from the ties at the E 1/4 corner of Sec. 7-96-13.

Plan-View

(Show a minimum of three reference ties to durable physical objects, relevant monuments and physical conditions that will enable recovery of the corner.)

I hereby certify that the survey work was completed and this certificate was prepared by me or under my direct supervision and that I am a duly registered land surveyor under the laws of the State of Iowa.
